Argento is deeply rooted in the soils of Mendoza, blended with the spirit of Argentina, and shared with the world. Our wines embody the essence of a modern Argentina: confident, sophisticated and expressive.

Grounded in tradition and motivated by innovation, our winemakers are fiercely proud of their heritage and the unique terroir of Mendoza. We are dedicated to crafting rich, flavorful wines that emphasize the hallmarks of the Argento style – fruit purity, vibrancy and elegance.

Argento

Torrontés 2010

Tasting Note

This aromatic Torrontés offers an intense floral perfume typical of the true Argentine variety. The concentrated flavors of peach and citrus are complemented by minty eucalyptus notes – dry and a fresh with a clean mineral finish.
